

QUEEN ETHELBURGA'S COLLEGIATE

Chair of the Collegiate Board: Mrs A Martin. MSc, BA, FIoD | Principal: Mr D Machin. BA (Hons), PGCE, PGDip
Bursar: Mr C Hall. BSc, FCA

Dear Parent/Guardian

Tuberculosis (TB) Screening Programme

Please see the information from the National Health Service regarding the Tuberculosis (TB) Screening Programme for students.

- [TB Screening Programme and Booking Form](#)
- [TB Information Leaflet](#)

If your son/daughter has arrived in the UK within the last five years and was born in a country identified by the World Health Organisation as being at high risk of TB they may be eligible for TB screening.

The screening is due to take place in school once all consents have been returned and you will be notified of this by email.

- Pupils 16 years and over will require one appointment
- Pupils under 16 years will require two appointments

If you would like your child to receive this immunisation, please complete the booking form on this link [TB Screening Programme and Booking Form](#) by **30 April 2024**.

If you have any questions, please email medicalform@qe.org

Yours sincerely

Medical Centre
Queen Ethelburga's Collegiate
